

2015 Fall Festival Wrap-up

Thank you to everyone who attended this year's IBA Fall Festival! Thanks to Pine Lake Archers for hosting the event and all the fine food they prepare in their clubhouse. Many thanks to all the people who volunteered with novelties, registration, course, and other jobs to help make the Fall Festival run smoothly. Volunteers are how the IBA operates and these things don't just happen on their own. We appreciate people stepping up and volunteering to accomplish these things.

A lot of awesome donations were made by the following companies or people; along with a fine group of target sponsors. Without these generous people and organizations, this event would be just another shoot. So a tremendous THANK YOU to all of the following. Please support those who support your IBA.

Our first NASP tournament went over well with about 60 shooters. We received a lot of good comments about it and also some improvements that we will try to incorporate. We so hope this event grows into something big. Getting our youth involved is the best thing we can do for archery and hunting.

If anyone would like to see some changes or improvements, please provide your input to any board member (see the IBA website or Bowhunter for contact information). All suggestions will be considered and we're always looking to make this a better event going forward. Thanks again to all who shared in the Fall Festival experience and we wish you all the best in your upcoming hunting seasons.
